

## EDUCATION

University of California, San Diego  
**B.S. Cognitive Science,**  
**Human Computer Interaction**  
Courses in Computer Science  
Major GPA: 3.70  
Provost Honors  
*Expected Graduation: June 2016*

## SKILLS

### UX Research/Design

Field Study/Observation  
User Interviews  
Heuristic Evaluation  
Competitive Analysis  
Information Architecture  
A/B Testing  
Storyboarding  
Rapid Prototyping  
Responsive Design  
Wireframing

### Programming

HTML/CSS  
Javascript  
Java

### Methodology

Agile dev/SCRUM

### Tools

Axure RP  
Bootstrap  
Git/Github  
Adobe Photoshop  
Adobe Illustrator  
Adobe Premiere

### Languages

Mandarin Chinese  
Spanish

## AWARDS

**Top Mascot Product Design**  
Zhihu.com

**Best Logo Design Award**  
UCSD IDEA Student Center

## EXPERIENCE

### Software Development Intern

Foundation for Learning Equality

*July 2015 - Present*

- Researching, wireframing and programing the exercise creation framework within the new education platform
- Working with engineers and marketing specialists on crowdsourcing website to improve UI and create graphical design and video elements
